Dear Mr. Buice:

The Georgia Peace Officer Standards and Training Council approved your training request for seminar recognition. This formal recognition authorizes you to submit this training for training credit for Georgia peace officers that are required to be registered or certified by the Council. This is a limited recognition for the specific course, dates, training hours, and location specified in your request. Please use the following information when completing the Course Completion Report:

Completion Date:	Approved for LE Training in 2016
Hours:	2-3 Hours
Course Title:	Traffic Enforcement for Bicycle Safety
Course Number:	NTE04G

This recognition is contingent upon strict compliance with both the Georgia Peace Officer Standards and Training Act (O.C.G.A. 35-8-1 et seq.) and the Georgia Peace Officer Standards and Training Council Rules. Each peace officer must attest that he has attended a minimum of ninety percent of the training course. It is your responsibility, as a seminar provider, to maintain strict control over the Sign In Sheet for recording attendance and completion of the training course. You must ensure that only those peace officers that attend a minimum of ninety percent of the training course and satisfy the training course completion requirements receive training hours credit. This action is necessitated by Council's desire to provide quality, consistency, and accountability in our training delivery system. Recognized seminars are subject to announced or unannounced inspection by our professional staff. Please mail the completed Sign In Sheet along with a copy of this letter to: ***Training Standards Division, Georgia Peace Officer Standards and Training Council, P.O. Box 349, Clarkdale, Georgia 30111-0349***

If you have any questions or need further assistance, please contact me.
Sincerely,
